

Quick Reference

Initiative for Affordable Housing, Inc. was founded in 1990 to help homeless women with children achieve independence and provide safe, permanent affordable housing for low-income families.

Initiative currently operates three programs:

- **Homeless Services**, providing housing, financial assistance, and comprehensive social services for families experiencing homelessness
- **Affordable Housing**, offering affordable housing at four multifamily properties for over 350 metro Atlanta families
- **re:loom—weaving a better life**, a low-barrier employment and workforce development program for homeless and refugee women which also contributes to global sustainability through upcycling excess textiles
